What's happening

Children's Story Times

Join us for Bouncing Babies (for children from birth-12 mos. of age and older prewalkers) to be held at 10:00 and 10:45 am on Fridays, March 5-26. Wonderful Ones will be held Tuesdays at 10:00 and 10:45, March 2-23. Both series include short books, songs, and a variety of rhymes to be done on an adult's lap. Ones also experience independent movement activities. Registration is required for both series and group size is limited. Call 788-2352 or stop at the checkout desk to enroll in Bouncing Babies or Wonderful Ones.

Computer Classes

The library is taking names and telephone numbers of individuals who may be interested in taking computer classes. Nothing is yet scheduled, but be sure to sign up if you are interested. Inquire at the Circulation or Reference Desk for more information.

Library Hours:
Mon, Tue, Thu:
9:00 am-9:00 pm
Wed, Fri & Sat:
9:00 am-5:00 pm

Adult Book Discussion Club

The monthly meeting of our book club will be Monday, March 22 at 7:00 PM. We'll be discussing the Mysterious Stranger by Mark Twain. The next meeting in the series will be on April 19 at 7:00 PM. The book to be discussed will be Fly Swatters: How My Grandfather Made his Way in the World by Nicholas Dawidoff. Newcomers are welcome at any time.

National Women's History Month

March is National Women's History Month, and Marietta Holley, the focus of our display this year, fits the 2004 theme of "Women inspiring hope and possibility" extraordinarily well. In her books, Marietta Holley addressed most of the reforms promoted by the women's groups of her time. Her contributions achieved their goals and through her use of humor and have been recognized most fully in recent years. The display is located in the main reading room across from

the circulation desk.

Petrified Wood Display

In our display cases this month we have some beautiful examples of petrified wood from Ed Blankman's collection. Petrified wood has been preserved for millions of years by a process which turns the wood into quartz crystal. Petrified wood is valued for its exquisite color and detail. Some pieces retain the original cellular structure of the wood in which the grain can be easily seen.

Dr. Seuss' Birthday!!

Celebrate on Wednesday, March 3, in the Library's Herring-Dillenback meeting room at 10:30 a.m. We'll be reading Dr. Seuss books and singing songs. The Cat in the Hat will be there and we'd like you to COME AND JOIN THE FUN!!! Enjoy refreshments, receive a free book and bring along a used picture book for a book swap! The program is sponsored in part by Literacy Volunteers in conjunction with Flower Memorial Library.

Income Tax Forms

Federal and New York State tax forms, instructions and publications are now available. If you don't see what you need, check with the library staff. It may be available to be photocopied or to be printed from our library website. To print, go to Flower Library's website, click on Internet Links, then Tax Forms.
